

European School of Pathology (EScoP) course for Gynaecological Pathology

The banner features a blue background with a circular inset on the left showing a histological slide of gynaecological tissue. Overlaid on the slide is the EScoP logo, which consists of a stylized 'E' and 'S' intertwined, with the text 'EScoP' and 'European School of Pathology' around it. To the right of the slide, the letters 'EScoP' are written in a large, light blue, cursive font. Below the slide and logo, the text 'EScoP course for Gynaecological Pathology' is written in white, bold, sans-serif font. Underneath that, the dates '16-18 January 2024' and the location 'Barcelona, Spain' are written in white, sans-serif font. In the bottom right corner, the European Society of Pathology logo and contact information are displayed in white.

**EScoP course for
Gynaecological Pathology**

16-18 January 2024
Barcelona, Spain

 European Society of Pathology
Rue Bara 6
1070 Brussels, Belgium
E-mail: admin@esp-pathology.org

Venue:

Sala d'Actes

Ben Davidson, Norway

Attendance: This course is with on-site attendance only. The sessions are not recorded.

Course language: The course will be provided in English.

The EScoP course for Gynaecological Pathology is available for both board-certified pathologists and those in training.

Course participants are welcome to submit cases of Gynaecopathology to be discussed during the “bring your case session”. More information will be provided upon successful registration.

Registration fees:

ESP members (with an active membership for 2023): **260 Euro**

Non-ESP members: **310 Euro**

Registration for the course programme includes access to the course venue, coffee breaks and lunches, access to the online platform with the course material and a personalised certificate of attendance.

Payments are possible via bank transfer only. There is no option for on-site registrations. The available slots will be allocated on a first-come, first-served basis.

Deadline to register: **21 December 2023**

For registrations, contact the ESP Education Manager, Dr Christos Poullos, at admin@esp-pathology.org following the below steps:

- Email subject “EScoP Barcelona 2024”
- Provide full name and country
- Indicate if you are interested in presenting a case during the “bring your case” session.

Preliminary Programme

All times are in local time for Barcelona, Spain

Day 1: 16 January 2024			
Time	Duration (min)	Topic	Speaker
08.15		Welcome and registrations	
08.45	45	Introduction	
09.30	60	Lower genital tract neoplasia - Vulvar pre-invasive lesions - DEVIL/VAAD/dVIN/LSIL/HSIL - Reporting and importance of immunohistochemistry - Sentinel node evaluation	Ana Felix
10.30	60	Slide seminar 1 (cervix, vagina and vulva cases - Paget, melanoma, cervical HPV-negative adenocarcinoma, neuroendocrine tumors, salivary type tumors, secondary tumors)	Ana Felix
11.30	30	Coffee Break	
12.00	45	Mesenchymal lesions of lower genital tract cervix-vagina-vulva (part 1) lecture+ slides seminar Deep angiomyxoma and its differential diagnoses (fibroepithelial polyps, cellular angiofibroma, angiomyofibroblastoma, Lipoblastoma-like tumour of the vulva) Epithelioid sarcoma of the vulva	Sabrina Croce
12.45		Lunch	
13.45	45	Slide seminar 2 cervix-vagina-vulva (part 2) Fibrosarcoma like tumors of the cervix (NTRK) -embryonal rhabdomyosarcoma Adenosarcoma (corpus and cervix)	Sabina Croce
14.30	90	Endometrial carcinoma and premalignant lesions - Metaplasias and other differential diagnoses	Koen V de Vijver
16.00	30	Coffee Break	
16.30	45	Slide seminar 3	Koen V de Vijver
17.15	30	Neuro-endocrine tumors	Ana Felix
17.45	15	Summary of the day	All

Day 2: 17 January 2024			
Time	Duration (min)	Topic	
08.30	60	Fallopian tube lesions and precursors	Koen V de Vijver
09.30	60	Tubo-ovarian carcinoma	Ben Davidson
10.30	30	Coffee Break	
11.00	45	Slide Seminar 4	Ben Davidson
11.45	45	Germ cell tumors and sex cord stromal tumors	Ben Davidson
12.30	90	Lunch	
14.00	45	Slide seminar 5 [other conditions (adenomatoid tumour, mesothelioma, ESS, etc)]	Ben Davidson
14.45	30	Coffee break	
15.15	45	Slide Seminar 6 Gestational trophoblastic disease, lecture and slide seminar	Koen V de Vijver
16.00	60	Mesenchymal tumors of the uterine corpus and adnexa lecture and slides seminar (part 3) Smooth muscle tumors of GYN Endometrial stromal tumors KAT6A/B rearranged uterine sarcoma UTROSCT	Sabrina Croce
17.00	15	Summary of the day	

Day 3: 18 January 2024			
Time	Duration (min)	Topic	
8.30	45	Slide Seminar 7	Sabina Croce
9.15	45	Intra-operative diagnosis – practical approach	Ana Felix
10.00	45	Slide Seminar 8 [Molecular diagnosis – when to suspect: - Dicer1 - Lynch - BRCA1/2 - Li-Fraumeni - Hippel-Lindau - SDHA - Mc-Cune-Albright - Peutz-Jeghers]	All
10.45	30	Coffee break	
11.15	90	Slide Seminar – bring your case	All
12.45	30	Summary of the Course. Last Questions. Take home message	

The EScoP course Gynaecological Pathology 2024, Barcelona, Spain 16/01/2024 - 18/01/2024, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **12.5 European CME** credits (ECMEC®s).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME®

credit to AMA credit can be found at <https://edhub.ama-assn.org/pages/applications>.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
